The demon reverted once more to the form of the wild buffalo. Durga drank the divine nectar, the gift of Kuber, But it was important for me to have been educated in the ways of the world and in the beliefs and 'hand me down' stupidity that man inherited, Because of the importance of the truth in terms of how the world is going and of the number who are searching for answers it became increasingly urgent to get my message out. To know exactly the purpose of Stonehenge, for instance, and to resolve other great mysteries that have beaten the best scholars.
